Total Submissions: 30

Approved: 28
Declined: 1
Withdrawn: 1
Not Yet Voted: 0

Old Business:

New Business:

Review of current submissions from the virtual suggestion box.

One submission was received regarding a wrecked vehicle at the entrance that has since been removed.

Front Entrance Water Leak

Clay County Utility Authority is investigating the overage in the water per the Associations request. Leak Seekers was also contacted to investigate the irrigation system for any leaks.

Management will draft a document for the website called Frequently Asked Questions to answer the questions that seem to come around each year. The hope is that residents will begin to utilize the website to answer any questions they may have instead of an unofficial social media page that can distribute unintended false information.

The Board would like proposals to replace the trees that were removed from the front entrance.

All business being completed, the meeting was adjourned at 7:07 p.m.
